

## ***Did You Know:***

- There are 2.5 million eye injuries per year in the US
- More than half happen in or near the home
- 90% of eye injuries are preventable with the use of proper safety eyewear.
- Even a minor injury to the cornea—like that from a small particle of dust or debris—can be painful and become a life-long issue, so take the extra precaution and always protect the eyes. If the eye is injured, seek emergency medical help immediately
